

CropElevate

Date: 01/08/2023

Guide: Mr G S Ajith

1. Project Overview?

The project mainly aims to develop a easy to access platform for the users. Here the farmers can register for crops through online and the panchayath will provide the crops for the farmers who met the criterias. The Ward member plays an important role in the approval of the crops to the farmers. The panchayath secretary (Admin) will provide the final approval. The sales person will collect the products (products grown from the crops) and will sold it in the respective shops.

2. To what extend the system is proposed for?

The system mainly allows the farmers to register for the crops and to get the crops in an easy way. It also helps in saving the time of the farmers.

3. Specify the Viewers/Public which is to be involved in the System?

Users (Farmers)

4. List the Modules included in your System?

Admin, Farmer, Member, Sales Person.

5. Identify the users in your project?

The main users of the system are the Panchayath Secretary, Farmers Members, Sales Person.

6. Who owns the system?

Administrator

7. System is related to which firm/industry/organization?

Government Organization

8. Details of person that you have contacted for data collection?

Mathew Joseph

9. **Questionnaire to collect details about the project?** (min 10 questions, include descriptive answers, attach additional docs (e.g. Bill receipts, certificate models), if any?)

1. How the crops are given to the Farmers? Is there any criterias?

The crops are mainly given to the farmers mainly based on the annual income. If there is a farmer with high annual income and a one with the low annual income the crop will be provided to the one with the low income.

2. How the applications forms are submitted?

The application forms are filled and submitted as a hard copy.it is a form that need to be hand written.

3. If any data is not entered or any field is not added how the field can be updated?

The panchayath together with the Ward Members will evaluate the form and if there is any corrections the Ward Member will inform the farmer to update it and give back the form.

4. How the farmers will get the updations?

The farmers will get the updations in the Gramasabha or they need to visit the panchayath for the new updations.

5. How will you inform them that their registration is approved or not?

We will inform them by calling them and inform them that the application is approved.

6. How the payment is done by the farmers?

The farmers can done the payment by cash.

7. Did you give any advices for growing the crops?

No not at all. We didn't provide any advices.

8. How will you inform the farmers that their crops had arrived?

We will call or message the corresponding farmers and inform them.

9. From where the farmers will collect the crops?

The farmers can collect the crops from the Krishi Bhavan.

10. Did you provide any shops where the farmers can sell the products that are grown from their crops?

No we did not have such facilities, farmers can to sell their products by their own.
